This year Cornwall Park Students will be going 'Hard out for the hungry' in Bougainville Papua New Guinea. The 40 Hour Famine is a great learning experience for kids. Last year 125,000 young New Zealanders took part, and this year anybody can get involved! Students aren't just giving up food for 20 hours; they are having a go at giving up technology, the family car and even talking.

The 20/40 Hour famine is something the whole family can get involved in as you can sign up online to win awesome prizes, and the best part is that signing up online means that you can raise 3 times more money.

Support your children in the 40 Hour famine this year, as they change the life's of children in Bougainville, Papua New Guinea.

For more information please contact Mrs McLeran, or Emma; emma.davison@worldvision.org.nz.
