The Incredible Years

Parents, teachers, and children training series

Incredible years is a 12-16 week parenting programme for parents of children aged 3-8 years. It involves weekly sessions of around two hours.

Over the weeks, parents develop strategies to build positive relationships with their children and to manage problem behaviours. They come to group sessions each week, talk through what has, or hasn't worked, set goals for what they want to happen and ways to achieve those goals during the following week..

Incredible Years is available **FREE** to all parents and childcare is available on the premises. A preliminary meeting will be held on Friday 3 April at Orakei School.

Contact your local Ministry of Education Office

Ask for: Grant Malins, Deidre Wafer Smith or Julia Woodward.

"STARS" April school holidays at Stardome

Show: Wonders of the Universe

Peer deep into space through the eyes of the orbiting Hubble Space Telescope and travel back billions of years in time to witness the birth of the universe. On this breathtaking excursion you'll witness the formation of galaxies and explore some of the most wondrous nebulae and astronomical structures yet discovered.

As your travels continue, you'll fly deep into our own Milky Way galaxy and return home to Earth on a spectacular tour through the solar system.

Space-room activity: Look at the spots on our own sun (weather permitting), design your own constellation, and make a piece of 'star-art' to take home.

Two sessions Daily

Times: 10.00am – 11.30am • 1.00pm – 2.30pm

Dates: 14th – 17th April • 20th – 24th April 2009
