

Cornwall Park District School Community Notices Friday 22nd May 2009

We would like to introduce you to our fantastic online directory for children and families across New Zealand to find out "whats-on" for little ones, kids, teens and families in their area.

Simple for parents to search, and organisations can list their activities, classes, etc at no charge - to be sure of the most comprehensive list possible.

We are seeking listings for all kinds of activities. Depending on the services you offer, you may like to list your facility under one or several categories. e.g. "Early Childhood Education", "Child Care", "After School Care", "Before School Care" "Playgroups", "Special Needs", etc.

Also, please check out our new notice board for "one off" family friendly events and activities. A great place to publicise upcoming fundraisers etc.

Visit us online: www.whats-on.co.nz and please feel free to forward this information to anyone else involved in activities or classes for children and families.
