★ HELP THEM SHINE

ASTHMA AND RESPIRATORY ACHIEVERS AWARDS 2009

The Asthma and Respiratory Foundation wants to celebrate people with respiratory conditions who have a great attitude and achieve things in their lives.

We developed the Asthma and Respiratory Achievers Awards to acknowledge people who overcome the challenge of a respiratory condition to live a life that many of us take for granted.

We encourage you to nominate friends, family, colleagues or anyone that deserves some acknowledgement of the challenges they face everyday – challenges they face and overcome.

It takes a special kind of person to make the effort to help someone else shine. Have you got what it takes? Make a nomination now.

Every nominee is acknowledged.

Eight Supreme Achievers will be chosen to receive their certificates at a special ceremony in Wellington in November.

Māori Supreme Achiever Awards in each category recognise the marked severity of respiratory conditions among Māori.

Application Forms are available from the school office.

IT'S EASY TO MAKE A NOMINATION

Fill out the nomination form on the other side of this brochure, and send it to us by 31 August 2009. Or you can make a nomination online at www.asthmafoundation.org.nz

If you tell us about your nominee's attitude to life as well as their achievements that will give us a fuller picture of why they are special.
