We are a Young Enterprise team from St. Cuthbert's College called GYO, "Grow Your Own."

As part of the scheme we have produced an easy to read children's gardening book called 'Growing Kids, Growing Gardens'. It contains step-by-step instructions on how to grow your favourite vegetables at home and recipes to put you're veggies to good use.

We are selling each book for \$14.99 which comes with a set of starter seeds. For enquiries about ordering a book please visit the website [www.gyo.net.nz](http://www.gyo.net.nz) or email [gyoinfo@gmail.com](mailto:gyoinfo@gmail.com). There are sample pages of the book and order forms at Reception.

The Nit-Enz team is available to answer any questions you may have about head lice, re-infestation or the Nit-Enz range of products.

*"Oh my goodness it works! I was the biggest skeptic ever and at my wits end and sick of putting poison on my children's heads. Wow - Head lice free AT LAST. Thank you so much ... And I am so grateful. It's always a bit of a risk buying a product you don't know and I have tried many but I am so thrilled with the results. Our bathroom has a pleasant aroma of pine and citronella and the girls have stopped scratching. They are doing the weekly top up now and I can't believe how much shampoo I have left. It really is incredibly good value." Anthea*

Available at participating Pak n Save, New World & 4 Square Stores.
