We would like to bring to your attention the Government's new Aspire Scholarships, which were announced by the Hon Heather Roy last week. The

Scholarships enable students from low income families to attend a private/independent school. A total of 150 scholarships have been made available for intake for 2010 - 50 at each Year 9, Year 10 and Year 11 level. (The number rising to 250 by 2012.)

The scholarships will fund recipients' study for the entire time that they are at the school, providing up to \$15,000 per year for school fees and an annual allowance of \$1,500 to cover the cost of such school-related costs as uniforms and school trips.

To be eligible to apply, students must:

- Submit applications must be received by October 14 for the first ballot, and 28 October for the second
- Come from a household that has an annual income of less than \$65,000 and a net worth of less than \$150,000.
- Have a supporting letter from their current school principal
- Have a letter from another referee - such as a family friend or church member.

To ensure fairness, all eligible applications will be placed into a randomly-selected ballot - two of which will be held this year: one after the first close-off date of October 14, and the second after the final close-off date of October 28. Successful applicants can then enrol at the independent school.

Students can apply for one of 150 Aspire Scholarships for the 2010 academic year by downloading an application form from www.minedu.govt.nz/NZEducation/EducationPolicies/Schools/Initiatives/PrivateSchoolFundingScholarships/AspireScholarships.aspx <<http://www.minedu.govt.nz/NZEducation/EducationPolicies/Schools/Initiatives/PrivateSchoolFundingScholarships/AspireScholarships.aspx>>

For more information email Aspire.Scholarship@minedu.govt.nz, visit www.minedu.govt.nz/Aspire, or phone (04)463 8262.

If you know of families who may qualify and will have children starting in Year 9,10 or 11 in the future, please make them aware of the Aspire Scholarships and the opportunity to attend an independent school.
