KIDS PARTY NAILS

Kids Party Nails is a glamorous occasion, perfect for birthdays, parties and events. Girls will delight in getting their nails manicured from our friendly technicians. To finish, their nails will be adorned with our delicate nail art stickers and rhinestones.

While each child receives an individual nail art experience with our technician, the remaining girls are creating and designing their own set of nails with the use of our nail polish, nail art stickers, self adhesive diamantes, nail art glitter and brushes.

We are a fully mobile service that is provided at your home. It takes our staff approximately 15 minutes for set up and we allow 1½ hours to complete the party. We also cater for larger parties and other special occasions such as school holiday programmes, girls' day in, social functions and corporate events.

For any enquiries please call 027 289 8474, email us at info@kidspartynails.co.nz or check out our website www.kidspartynails.co.nz

MARCH NIGHT SKY

DIVE INTO BLACK HOLES IN MARCH!

Black holes have fascinated visitors to Stardome young and old for years, and now we have a new planetarium show all about these great mysteries of space. Narrated by Liam Neeson, 'Black Holes: The Other Side of Infinity' explains our understanding of what black holes are and how we can find them...and even shows what it would look like to go through one! 'Black Holes' will be playing at 9.00pm Tuesday to Sunday throughout March only, so book your space early. Following on from the 8.00pm and 9.00pm shows in March we take a special look at the Large Hadron Collider. The LHC is the world's largest experiment and has been the subject of misunderstandings for years. In this presentation you'll see what the LHC does and what scientists hope to learn from colliding particles near the speed of light.

April School Holidays: BIG!

How big is 'BIG'?

We all know space is big, but what exactly does THAT mean?

Come along to Stardome this April to find out what we mean by the word 'BIG' when we talk about space! Come and see Big, our planetarium show that takes a quirky and imaginative look at the size and scale of our universe. With a light-hearted storytelling style, clay-animated characters and a surrounding musical score, this show brings a really big subject down to Earth.

Afterwards, let us inspire you as you create your very own galaxy to take home and display, as well as other 'out-of-this-world' fun art.

Stardome's holiday sessions are proving to be very popular--during January most sessions were heavily booked, if not fully.

Book your place early by calling 624 1246, or contact us should you have any questions.

Two sessions daily!

10.00am to 11.30am and 1.00pm to 2.30pm

Dates: April 6th - 9th and April 12th - 16th

Price: \$10/child \$7/adult

FUTSAL (Brazilian indoor soccer) develops fast, skillful, exciting players!

FUTSAL – Train & Play with Professional Brazilian Players!
