# Triple P-Positive Parenting Programme: Discussion Groups

Are you concerned about your child's behaviour?  
Is your child aged between 3 and 5 years old?  
Do you experience problems dealing with:

1. fighting and aggression OR
2. establishing good bedtime routines?

The University of Auckland is conducting research on the effectiveness of two separate 2-hour discussion groups aimed at supporting parents to develop positive strategies to deal with difficult behaviours in preschoolers and improve overall family functioning.

Two groups are on offer: one aimed at managing fighting and aggression, and one aimed at dealing with bedtime problems & developing good bedtime routines.  
Parents can participate in only ONE of the groups.

The group is free of charge and you can keep all the materials that are given to you. You will also be asked to complete a series of questionnaires as part of the study.

For more information or to sign up for the study contact:  
(09) 623 8899 ext. 83042 or [tprg@auckland.ac.nz](mailto:tprg@auckland.ac.nz).
