

Strategic Plan 2019-2021

Cornwall Park District School is a child-centred school that welcomes and respects everyone and engages flexibly with all students, parents and whānau to enable all children to thrive.

Effective Teaching

- Teachers deliver and evaluate engaging, effective and relevant programmes consistently across the school that lift student outcomes.

Student Learning

- All students will achieve a year's progress for a year's effort through effective teaching and by being active participants in their learning.

Whānau/Community

- Provide a welcoming and supportive environment to enable whānau / community to contribute and connect with their child(ren)'s education.
- Foster a strong sense of community where everyone is an active participant in school life.

Wellbeing

- Provide a culture that supports and respects the wellbeing of every individual in a safe and caring learning and working environment.

Review: Self-review underpins all programmes and informs future practice and direction at all levels at Cornwall Park District School. All parties with vested interest are kept informed of progress, achievement, and future direction. All parties are also encouraged to be active participants offering suggestions and feedback.
