

16 October 2020

To All Parents and Caregivers

All Student Dance Programme

CPDS in conjunction with Dance Curriculum, are proud to bring to our school a new and exciting activity for all our students to enjoy each day during Week 4 and 5 of this term.

This fun programme has a good mix of theory and practical and will inspire the love of dance, linking growth mindset and engagement in group dynamics. We had Dance Curriculum join us in 2019 for a taster and received fantastic feedback from the children.

[Link to Dance Curriculum Video](#)

Cost: \$36 per student (for a 9 week programme run over a comprehensive 2 week period)
Payment can be made through your Kindo account by [clicking here](#)
Please contact the school office if you would like to arrange for payment instalments
accounts@cpds.school.nz

We are aware that this payment can not be enforced, however, we believe this will be an exciting opportunity for children in what has been an frequently interrupted year at school. This programme will also give all children the opportunity to perform for families and whanau, on the Friday of Week 5.
