#### **Agreement**

I have read the guidelines and explained to my child:

- \* To go to the office if they miss the afternoon Walking School Bus;
- \* That s/he must abide by the Walking School Bus rules; and
- \* What s/he should do if no-one meets them at the bus stop.

I accept that my child's journey from school is still my responsibility even though he/she will be using the Walking School Bus. I will support the Walking School Bus by agreeing to walk students either to or from school when I am available (please see below).
