

CORNWALL PARK DISTRICT SCHOOL

PROPERTY VISION 2026 - 2028

We strive to be “Better Than Before” in all areas of the school. Our staff and students have identified these property initiatives and aspirations for improving spaces around our school through to 2028. As our community wants the best possible learning environment for our students, we consider all sources of funding, including Board of Trustees contribution, grant applications (where available), sponsorships, and community fundraising in partnership with Friends, Family and Whānau, to make these projects happen.

The numbers next to the projects are not indicative of priority.
